Task groups/sub committees should have the following:

2 board members

Leadership member or staff

Student

1 or 2 parent or community members

Utilize the sub committee opportunity to promote the school and continue the recruitment effort for the board.

Each sub-committee will provide the board with a final out line at the January 2010 meeting. Monthly progress updates will be reported out at the board meetings.

The tech dept modified the <http://www.sevenhillscharter.org/botfiles/> area so that files can now be uploaded and renamed right from that interface. Users can upload using the blue UP arrow on the toolbar within the interface. This secure location will facilitate the BOT to electronically share information related to work done on their sub committees to facilitate ease of communication.
