

Guiding Good Choices

Seven Hills Charter Public School will be hosting 3 parent workshops throughout the school year called Guiding Good Choices.

What is Guiding Good Choices?

GGC is a scientifically based, proven effective program that includes a series of 5 workshops designed to teach parents how to prevent substance abuse and other problem behaviors in adolescence. The Worcester Juvenile Court has been mandating parents to attend GGC workshops.

What is the cost?

The cost of the program will be free to all Seven Hills parents who register for the 2006-2007 school year. You will be required to attend all 5 sessions and will be supplied with a family guide of the program to keep.

To sign up, please fill out the bottom of this form and return it with your registration packet.
