

House Updates

Point totals 5/16/08

Gold $64,543 + 3140 = 67,683$

Green $65,015 + 2910 = 67,925$

Purple $64,047 + 2720 = 66,767$

Silver $65,171 + 3700 = 68,871$

Mystery of the Day *

What three nationally known people are running for President in November? (Hint: 2 are Democrats, 1 is a Republican)

Mystery from 5/15 = China recently suffered a massive earthquake.
Congratulations German Irra for and the **Silver House** for winning the raffle and 500 points!

News and announcements

Shadea B. earned 200 points for the **Gold House** for cleaning up after her “sloppy” math class mates

Dan F. earned 500 points for the **Gold House** for showing patience and maturity when dealing with a problem

Josef H. earned 200 points for the **Silver House** for always being polite, especially for always saying please and thanks you!

*Write down your answer for today’s mystery with your name and house and give it to your homeroom teacher. The winner will earn 500 points for their House!
