We are looking for parent volunteers to help represent the Seven Hills community for several upcoming recruiting fairs! Please submit your name to Mr. Yung as soon as possible if you would like to be considered.

Congratulations to such a great start in collecting pennies for the Leukemia & Lymphoma Society's Pennies for Patients Program. So far, we've raised over \$500, which already surpasses last years total. By collecting pennies and participating in this nationwide effort, we hope to find a cure for deadly disease.

Weekly Challenge

With the New England Patriots in Super Bowl XLII, write a 1pg. essay on either your most challenging sports moment or why sports are important. Winner will receive a special prize and recognition!

Monthly Challenge

The two genres for the month are Myth and Science Fiction. Science fiction is "fiction that deals with science and technology." Myth is "a folktale that is considered sacred and that attempts to explain how things came to be."

Grades K-1: Read a myth or science fiction book and create an illustration of your favorite part.

Grades 2-8: Read a myth or science fiction and create an illustration of your favorite part.

Our Mission Statement

Seven Hills Charter Public School is committed to preparing a diverse cross section of Worcester children for success as students, workers, and citizens by providing them a high quality education at prevailing public school costs.
