

How to do an AWE Essay?

Use the following as a checklist. Check that you have done each.

- Is the question fully embedded in the answer?
- Did you give two reasons or answers?
- Did you use numbers or letters for the two reasons?
- Did you indent on the **next** line and start with A) or 1)?
- For your first reason did you begin with a solid **quote** from the text?
- For the first reason did you **explain** what the quote means to you?
- For your second reason did you start with a solid **quote** from the text?
- For the second reason did you **explain** what the evidence means to you?
- Did you use the whole page?
- Did you use the technique of a sentence at the beginning and a sentence at the end to punctuate your analysis?
