

3-5  
min.**Phonemic Awareness****Discriminate Between Same or Different Words**

Today, you will listen to some words. Words can sound the same, or they can sound different. Listen to these words, and I'll tell you if they sound the same or different.

baseball + baby

These words are different.

baby + baby

These words are the same.

sad + sad

These words are the same.

Students respond as a group the first time, then individually.

Listen to these words.

jump + jump

baby + happy

shoe + shark

feet + feet

no + stop

Do the words sound the same or different?

- Model other examples if needed.
- Check students' understanding of same and different.
