

I am colorful

At times I am gray,
Bored like a cloud,
Drifting in the sky.

At times I am blue,
Lazy like a river,
Or like the rain, falling from the sky.

At times I am orange,
Like an orange full of juicy ideas,
Or like a pumpkin full of seeds of information.

A Hero Inside

A hero to guide us, a hero within
A hero is under your skin.
Not a bug or something thin,
But what's within.
Dwelling in your heart,
Ready to fight
Ready to stand up for what's right.
