

Peace

by Jonathan Demme

If I had a Dollar for every  
time I've heard,

"Why can't we have Peace on earth  
And be sweet like all the birds?"

I'd be a Rich Man yes I'd  
be indeed.

Though sometimes we want  
much more than we need.

Poverty, Poorness, homelessness, Death  
it's all too much to bear

but it is Priceless to care.
