*Be kind.
Be safe.
Be responsible.*

Dear Parents/Guardians:

Our Parent Guild Meeting is scheduled for September 20th at 5pm, childcare is available for all parents who would like to attend this meeting. The Parent Guild agenda includes our upcoming school wide fundraiser preparation.

Our first SAC meeting is also scheduled for September 20th at 6pm, the agenda for this meeting includes: History and Purpose of SAC, Ed Reform Act DCAP Review and Refinement, School Improvement Project, 2010-2011 Initiatives and Accomplishments, Cultural Competency, Parent / Family English Language Development Classes, Homework Policy Development and Review of By-laws. Assignment for Next Meeting: Review DCAP and be prepared to share feedback or questions. Review the SHCPS Homework Policy.

We hope to see you at one of these meetings.

Ms. Piazza
Superintendent

Early Learning Academy-Ms. Cox

Greetings friends and families! We are back to work from our Labor Day break and we've hit the ground running! Kindergarten and first grade are putting effort into counting in order, letter naming, letter sounds, and writing. In science, we have been learning about growing and bodies. In the coming weeks, we're going to be exploring living things, especially plants, apples, and pumpkins.

REMINDER: Please make sure that your child has a FULL CHANGE OF CLOTHES at school. This is very important!

Kindergarten will be having a field trip to Breezy Gardens. Please look for the field trip slips in your child's agenda. First grade field trip information will be coming soon!

Primary Academy-Ms. Ambroise

This week, second graders learned many things. In reading they learned about planets, astronauts, main idea, and vowel sounds. In math they learned about addition and subtraction word problems, place value, and different ways to represent numbers. They also continued to learn more about the continents and oceans of the world.

This week, third graders learned about a variety of things. In reading they learned about extreme places on earth, animal world record holders, nonfiction text features, and how to compare and contrast information. In math they learned about addition and subtraction word problems, place value, and different ways to represent numbers. In addition, they began to learn about the Pilgrims and the reasons why they left Europe.

Homework completion, class work completion, and behavior are all a part of being a model citizen. Those students who have demonstrated model citizen behavior during the month of September will be invited to participate in the September monthly celebration on Thursday, September 29 (time TBA). Please look for more information to come in your child's agenda book.

Primary Academy Weekly Question:

Answer the following question, cut it out, and return it to the envelope located outside of Ms. Ambroise's office. Students who correctly answer the weekly question will be entered into a weekly drawing!

(turn over for PA question)

Which of these is another way to write 6091? (Circle the answer)

$$60 + 90 + 1$$

$$600 + 90 + 1$$

$$6000 + 90 + 1$$

$$6000 + 900 + 1$$

How did you find your answer (show your work)?

Elementary Academy-Ms. Nelson

Have you heard about the great things going on in Elementary Academy? Ask your child about his / her progress with math fact fluency (amazing gains but keep on practicing) and about his / her latest writing and projects related to Hope and Heroism! Enjoy a great book this weekend and hope you can get on out to enjoy the STARZ on the Street Festival on Sunday!

Junior Academy-Ms. Wright

Welcome back students! I hope that your vacation was fun, relaxing and prepared you to come back to school ready to learn. We have many exciting things getting ready to take place in the Junior Academy and we need your support to make them happen. Please be on the look out for important dates and times for these upcoming events.

The winner for last week's word of the week (astounding) is Yadrina Williams and her sentence was: Canobie Lake Park is an astounding amusement park.

The winner for the month is Yadrina Williams with two wins for the entire month. Yadrina, please come see me for your prize and keep up the great work.

This weeks word of the week is: banish. Find the meaning of the word, fill out a slip outside my office and put it in the envelope. Make the sentence really good so yours gets chosen.

Remember that we are selling Yankee Candles for our 6th grade fundraiser so we can cover the cost of our trip to the Sargent Center (Nature's Classroom). The more you sell, the less you will have to pay out of pocket for the trip. Please call the school and speak to Ms. Minor x1144 for more information.

All students must practice the Seven Hills Code of Conduct each and every day, in and out of school. Be kind, be safe and be responsible.

Startz on the Street Festival

September 18th from 11am to 5pm Park Ave is shut down to cars and open to Arts, performances, food, friends and few competitive folks on skates. Don't miss this festival. Rain date is September 25th!
